## **OBJECTIVES:**

This course is designed to help teachers of English to meet the needs of pupils with a range of abilities within one class.

## **COURSE CONTENT:**

### **1. Practical Methodology Workshops on English Language Teaching in an Inclusive Classroom**

conducted by expert teacher trainers with many years of experience in training European teachers of English and a wealth of exciting ideas to impart.

As more pupils with an increasing range of special needs are included in mainstream classes, heterogeneity has become a greater challenge for teachers.

In many cases teachers are neither trained to be foreign language teachers nor trained to meet the variety of special needs presented on a daily basis.

The workshop will try to offer help to answer the following questions:

What does inclusion mean? And, more importantly, how can we make it work in our classrooms?

Which activities can work across a range of abilities and proficiencies?

How can we meet the needs of all the pupils in large classes?

What are the principles of English Language Teaching and how can we adapt them for inclusive language classes?

How can teachers change their textbook guided teaching without investing too much time and effort to create scaffolded tasks for all pupils?

What does it mean to create competence oriented tasks?

In this workshop we will provide background ideas linked to a very wide range of practical work, suitable for many special needs pupils, which can be easily transferred into all levels of every day school life.

- 2. Lecture & discussion on the English Education System** including the integration of pupils with special educational needs.
- 3. Day visits to comprehensive secondary schools** with an opportunity to observe lessons for pupils with a wide range of abilities including integrated pupils with special educational needs and specific learning difficulties (2 week course only).
- 4. Advanced Language Practice** (2 week course only).
- 5. Educational visit to: Chester** from Shrewsbury or **Winchester** from Southampton.

## TOTAL PRICE: (as detailed on Page 1) comprises:

### (a) COURSE FEE: to include:

Full programme of study sessions and visits as itemised above.

NB. Participants are responsible for paying their own daily transport costs, including transport to schools. Optional visits are not included in the price.

### (b) HOST FAMILY ACCOMMODATION: to include:

Full board accommodation with a local family (inclusive of registration fee): 8 or 12 nights  
(Teachers may request to be the only guest of their mother tongue or to stay in the same family as a colleague).

Host families are carefully selected and offer a friendly welcome and opportunities to chat and learn more about life in Britain today. Participants often find that the experience of staying with a host family is one of the most memorable aspects of the course. Accommodation is in single rooms (unless participants request to share). Breakfast, packed lunch and evening meal are provided by the host family. (Food allergies, likes and dislikes are taken into account.)

Please note that many of the suitable residential areas are not within walking distance of the town centre, and most host families are an easy bus ride from the town centre/tuition centre. Local transport from host families to the town centre and local schools is at the participants' own expense and is likely to cost 15-30 Euro per week.

Additional nights with host families can be arranged, giving participants extra time for individual research and visits. Accommodation can be provided for family members (but not unaccompanied children) subject to availability. (Rates on request).

Participants wishing to arrange their own (hotel or self-catering) accommodation may pay a fee for the course only.

## PAYMENT:

Full payment will be due 2 months before the course begins, or for teachers awaiting funding – as soon as the grant is received.
